

## *Advanced Medication Reconciliation*

### *Home meds in Transfer to IP status can be marked as CONTINUE*

**Admission Reconciliation:** Users can now identify a home med as CONTINUE and save the action when the MSCE HOME MEDS ADMIT OPTIONS parameter is set to CONTINUE and the home medication order is in Transfer to IP status.

**Discharge and Outpatient Reconciliation:** Users can now identify a home med as CONTINUE and save the action when a home medication order is in Transfer to IP status.

**Required action:** To test in the Admission Reconciliation dialog, set the MSCE HOME MEDS ADMIT OPTIONS parameter to CONTINUE, then choose the CONTINUE option and save the action. Confirm that the action saves correctly.
